Honduran/Salvadoran/Costa Rican Support for the Contras

In view of new disclosures of Contra operations, Honduras, El Salvador and Costa Rica may consider reducing Contra support activities from their territory. Beyond the immediate military repercussions, what will be the broader political/diplomatic implications? Will Contadora's prospects be improved by these developments? Is an OAS/UN proposal for withdrawal of all foreign military personnel from the region likely to be favorably considered? (State/INR - 30 minutes)

3. Please have your clearances passed and call with your attendance plans no later than Tuesday, 16 December.
